

# SKILLS DEVELOPMENT WORKSHOP

🔥 Interviewing Juveniles and Families 🔥

🔥 Conducting Preventive Fire Safety Education and Interventions 🔥

PRESENTED BY THE  
THE MISSOURI DIVISION OF FIRE SAFETY  
AND THE NATIONAL ASSOCIATION OF STATE FIRE MARSHALS

**NOVEMBER 8, 2006 8:00 A.M. TO 5:00 P.M.**

MISSOURI DIVISION OF FIRE SAFETY GENERAL HEADQUARTERS  
2401 EAST McCARTY, JEFFERSON CITY, MO

This program is designed for Investigators, Inspectors, Officers, and Fire Educators to improve their knowledge and skills related to assessment, information gathering, and fire safety education through discussion, demonstration, observation, and participation. Topics will include communication skills and interviewing strategies; dealing with difficult interview situations; presenting age-appropriate fire safety education; structured interviews; and interacting with other agencies to provide prevention and intervention services.

Continuing education hours will be awarded for fire service instructor, fire inspector, and fire investigator recertification.

This one-day course is offered at no charge. Class size is limited and preregistration is required. Registration must be received no later than Oct. 27, 2006.

Registration information is available on the Division website at:
